

# Freelancing

Students:

Student

↓

Projects created by them

Ex Meet      Harshit      Shuja.

→ Coin detection      PDF Mergen      Student Mgmt

→ PDF unlocker      Chat Analysis      Attendance.

Every project will be worth some  
Points

Sahil wants to buy → Meet → <sup>Clicks</sup> Coin Detection → Buys

If points not sufficient → user can add points using real

Projects most sold will      cash razorpay api / paypal

be not fair and will have max rating.

user can have a rank based  
on number of times / number  
of projects sold

Platform can have 2% - 5% cut from  
the sold project.

With the points Students can go  
to the portal's merch store to  
buy earpods, mobiles, accessories,  
tehrinks, etc.

(Points added using cash cannot  
be used to buy merch.)

Student can → send request for project.

→ chat with friends / fellow Dev.
